Future Communications

The committee has decided to trial the publication of a monthly or bi-monthly newsletter for Club Members which Dave Leake has volunteered to edit. For those that have access to the internet this will take the form of an email which will give details of Club activities and any other events of interest locally. It could also include any changes to legislation which is provided by the Federation of Historic Vintage Vehicle Clubs which the Club is a member of.

For those who do not have email, hard copies will be available at the Monthly meetings and at all our other events.

With your consent we will also be sending out the notice of the Annual General Meeting in this form in an effort to save on postage. Those without email will still receive it by post.

To enable us to do this please complete the form below and return it to the Secretary either by post to the address overleaf or by email to:
